

(10) Work closely with all streams of national service;

(11) Provide administrative and technical support to the Corporation at all phases of the program;

(12) Send representatives to Corporation-sponsored training events;

(13) Respond to inquiries from all parties in timely fashion.

Corporation Involvement

Substantial involvement is expected between the Corporation and the successful applicant when carrying out the program. Corporation staff may make substantial changes to the requirements or operation of the program, as needed. The cooperative agreement party is expected to work with other Corporation departments, contractors, and others to market the program and ensure that the program maintains alignment with Corporation goals. The Corporation provides sufficient staff to support this effort and to oversee the provision of Corporation funds. The applicant must keep relevant Corporation staff informed of its activities; work with Corporation staff during development, delivery and assessment of services provided; and attend meetings/conferences at the Corporation's request.

Project Duration

The Corporation anticipates entering into a cooperative agreement covering a project period of approximately three years, with annual renewal based on performance, need, and the availability of funds at the discretion of the Corporation.

Overview of Application Requirements

The application should include a narrative section describing the organization's background and capacity to provide the technical and administrative support for this program, a narrative project plan, an implementation timeline, a staffing plan, and a certification that it will comply with all conditions attendant on the receipt of federal funding. The application may be no longer than 20 single-sided pages double-spaced in 12 point font.

Initially all applications will be reviewed to confirm that the applicant is an eligible recipient and to ensure that the application contains the information required. The Corporation will assess applications based on the criteria listed below (in descending order of importance):

- (1) Quality
- (2) Organizational Capacity
- (3) Proposed Costs

The Corporation reserves the right to request additional written information from applicants subsequent to the submission of initial applications.
